Thanks Bob. She was sick last I talked to her too. I will follow up again and let her know we still want the incident data.

Hi Rusty,

We never received any incident data from Wildcare. I called Wildcare last fall and the woman who was supposed to submit the data was out sick.

Bob

Have you all had any chance to look at the email below?

Good Morning Bob, Nick,

Did either of you receive any incident data from Wildcare since last October? Is there anyway to search EIS for this (is this something I can do)? I am going to contact someone at wildcare and I just checked the end of my email chain with her and cannot determine whether they submitted anything. I want to press her to submit if she hasn't already.

Rusty
